Item 15. Remarks

The proposed place of use (Item 7) includes the current water service area for IHGID, in addition to an area proposed for future development by Douglas County outside of the IHGID service area. IHGID water rights to be changed under this Application are intended to supplement the Douglas County water system, but are to remain non-supplemental and separate from any other water rights held by Douglas County or other parties for service to the north Douglas County area outside of the IHGID service area. Water rights granted under this Application may in the future be removed by IHGID from the north Douglas County area, as provided for under the current Interlocal Agreement between the two parties.
